**ALLEGHANY COUNTY WATER DISTRICT  
SIERRA COUNTY, CALIFORNIA**

**BYLAWS**

**INTRODUCTION**

The establishment of these bylaws arises out of a practical need to separate the duties and responsibilities pertaining to how the board governs itself from the Ordinances of the district. Up until this time (2016) all rules and regulations of the district including how the board governs itself were included in the ordinances.

With the adoption of these bylaws; matters pertaining to how the board governs itself and oversees staff (as well as staff duties and responsibilities) shall be covered by either the Bylaws or the Policies & Procedures of the District. If no Bylaw or Policy is in place for a matter that is written into the existing ordinances, then the ordinance shall hold sway. Reasonable effort will be made to rescind ordinances that are replaced by either these bylaws or district policy in a timely manner. Attachment A of these bylaws shall list the date of adoption of these bylaws, the dates of any amendments, along with a list of rescinded ordinances including rescission date.
